ABOUT US

MK Global Timbers Co. is a leading importer, stockist, and supplier of **premium-quality building materials**, serving the dynamic needs of the **construction and infrastructure sectors** across the **UAE and GCC region**.

Our comprehensive product portfolio includes **Marine Plywood, White Wood, Scaffolding Boards (LVL), H20 Wooden Beams, Commercial Plywood, and MDF**, all carefully sourced to ensure **superior strength, durability, and performance** in every application.

Beyond our expertise in timber and wood-based products, **MK Global Timbers Co.** has built a **robust distribution network** for **Reinforcement Steel Bars**, supplied from renowned regional and international mills such as **ESI, Jindal, Qatar Steel, AGSI, ASAS, Muscat Steel, and Conares**, as well as **cement** from leading manufacturers including **UltraTech and RAK Cement Co.**

Backed by a **strong global sourcing network** and a **reputation for reliability**, we deliver **sustainable, durable, and cost-effective** material solutions to **contractors, developers, and trading companies**.

“

Our unwavering commitment to quality assurance, timely delivery, and customer satisfaction has earned us the trust of partners across large-scale construction and infrastructure projects throughout the region.

OUR VISION

To be the most trusted timber and building material solutions provider in the region by delivering world-class products, upholding ethical business practices, and fostering long-term partnerships built on trust and excellence.

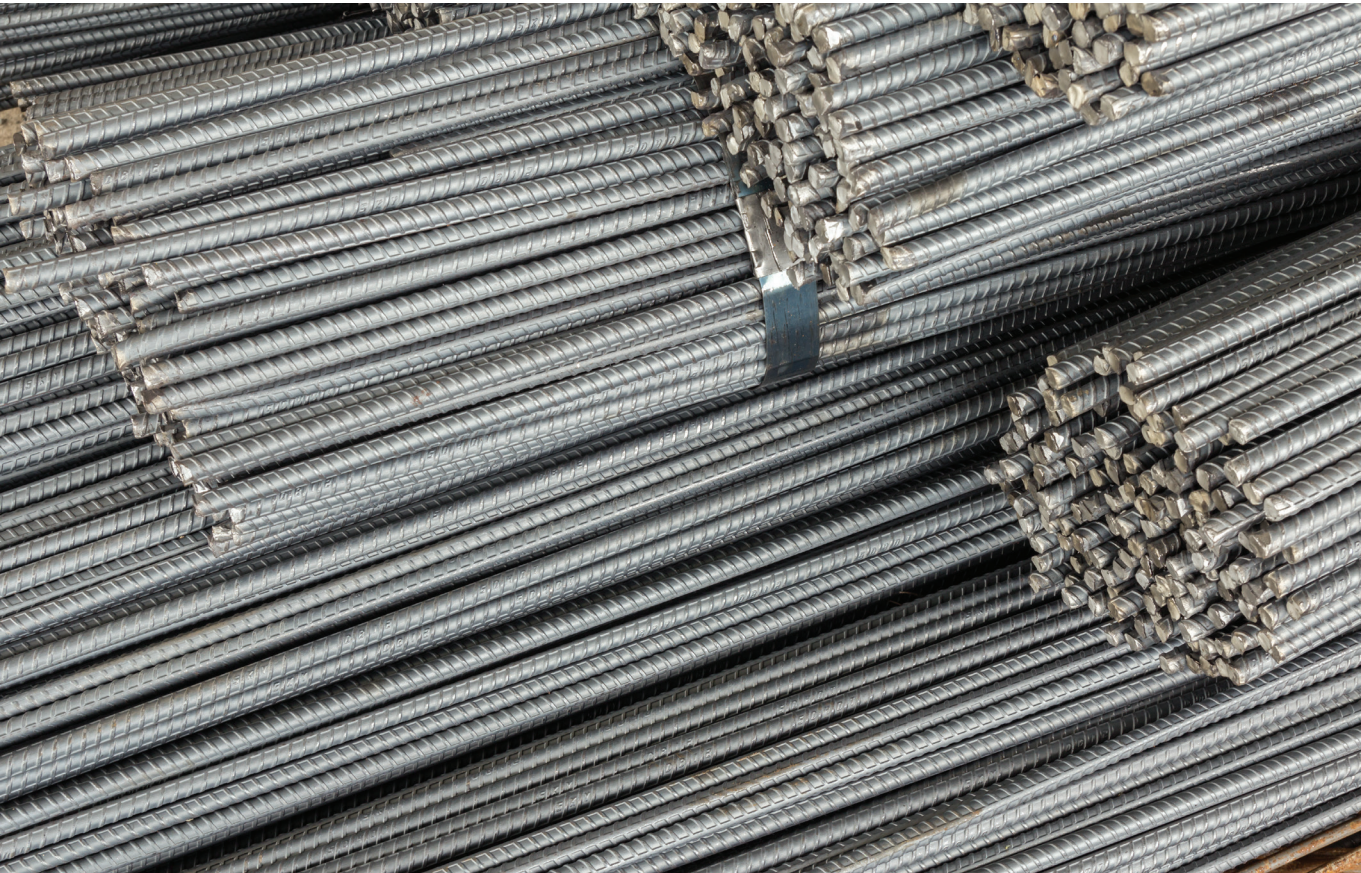

OUR MISSION

- To supply premium-quality timber and building materials at competitive prices.
- To maintain consistent stock availability to meet immediate project demands.
- To support the construction sector with sustainable, certified, and environmentally responsible solutions.

OUR PRODUCTS

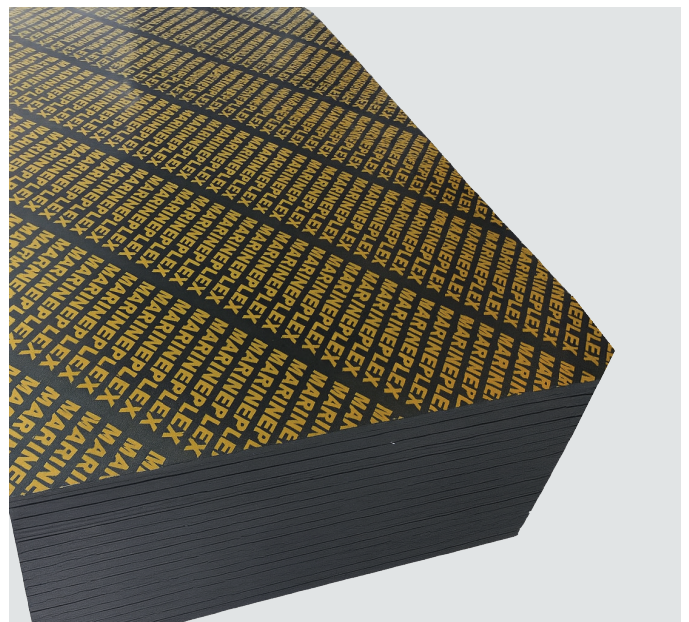

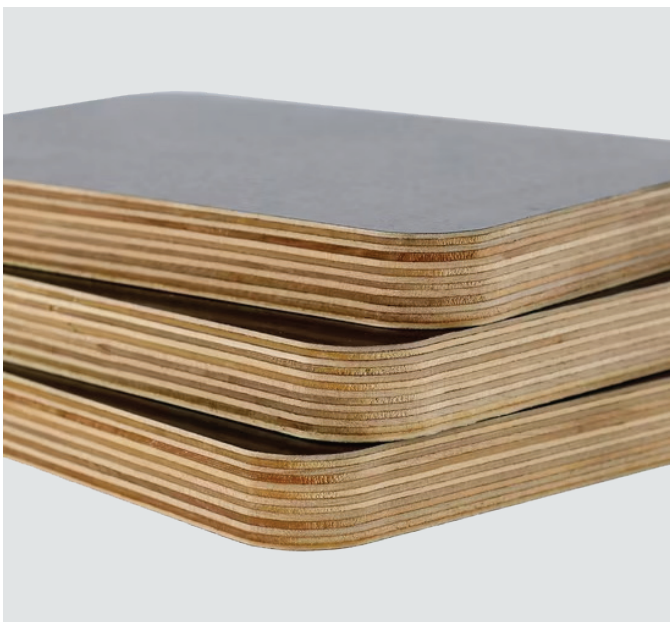

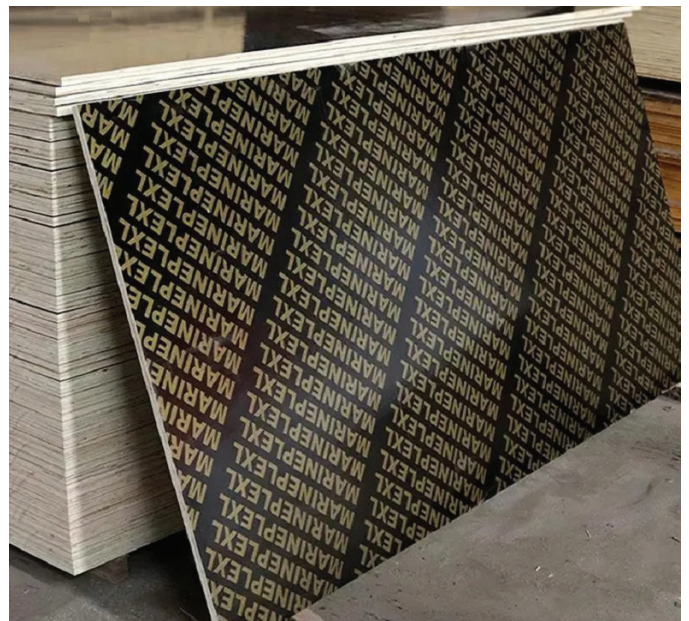

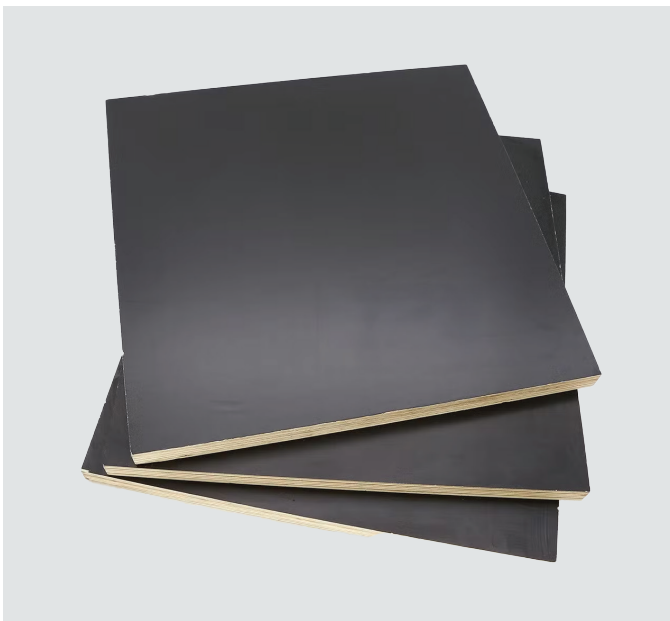

1. Reinforcement Steel Bars

| | |
|-----------------------|--|
| Sizes | 8mm, 10mm, 12mm, 14mm, 16mm, 18mm, 20mm, 25mm, 32mm, 40mm |
| Length | 12 meters |
| Grade & Certification | BS4449:2005 Gr B500B, DCL Certified |
| Brands | ESI, Jindal Shadeed, Qatar Steel, Union Iron, Gulf Steel, ASAS, AGSI, Muscat Steel |
| Application | Reinforcement steel bars, or rebar, are applied in construction to enhance concrete's tensile strength. Their primary applications include strengthening structural elements like foundations, beams, columns, and slabs in buildings and bridges. |

2. Film Faced Plywood (Marine Plywood)

| | |
|--------------------------|--|
| Sizes | 18mm x 4ft x 8ft |
| Repetition Grades | 1-2 times, 3-4 times, 6-8 times, 8-12 times, 15-20 times, up to 40 times |
| Origin | Russia, Finland, India, Vietnam, China |
| Application | Shuttering/formwork for high load-bearing capacity, multiple reuses, and smooth concrete finish. |

3. White Wood / Softwood

| | |
|--------------------|--|
| Sizes | 1x4, 3x3, 2x4, 4x4, 2x10, 2x13 inches (Length: 13ft) |
| Origin | Austria / Romania |
| Application | General construction, framing, and carpentry. |

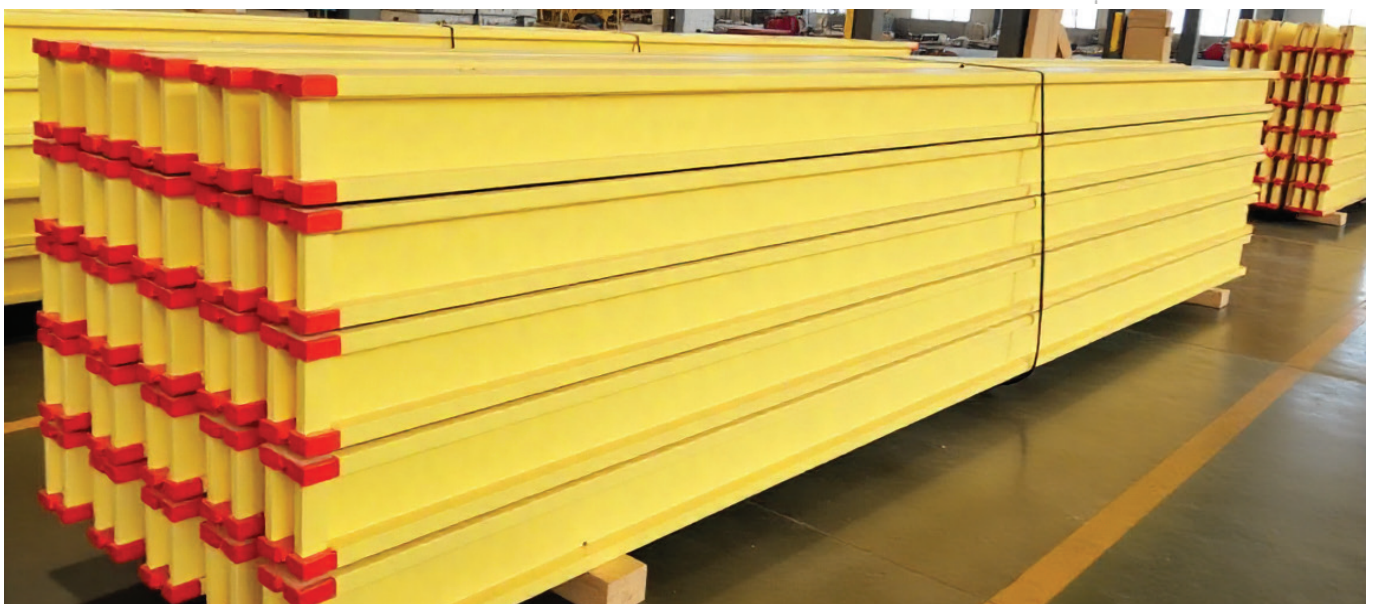

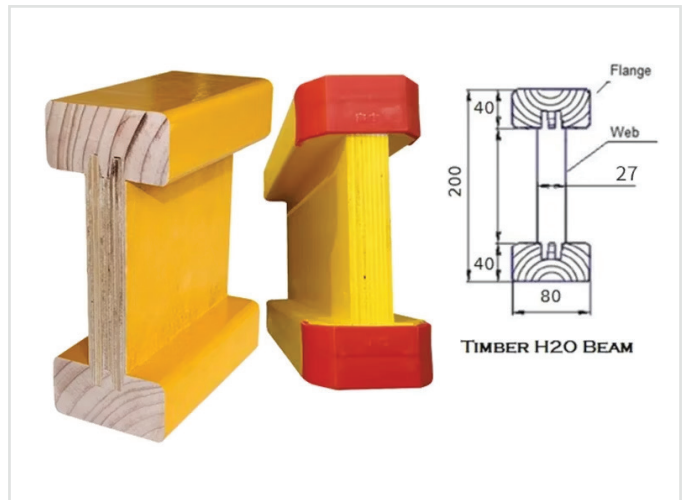

4. Laminated Veneer Lumber (LVL) Boards

| | |
|--------------------|--|
| Thickness | 38mm (H) x 225mm (W) |
| Length | 3900mm (Standard), cut-to-size (1m – 2.9m) |
| Standard | OSHA 1926:451 |
| Application | High-strength engineered wood used for supports, scaffolding, and formwork structures. |

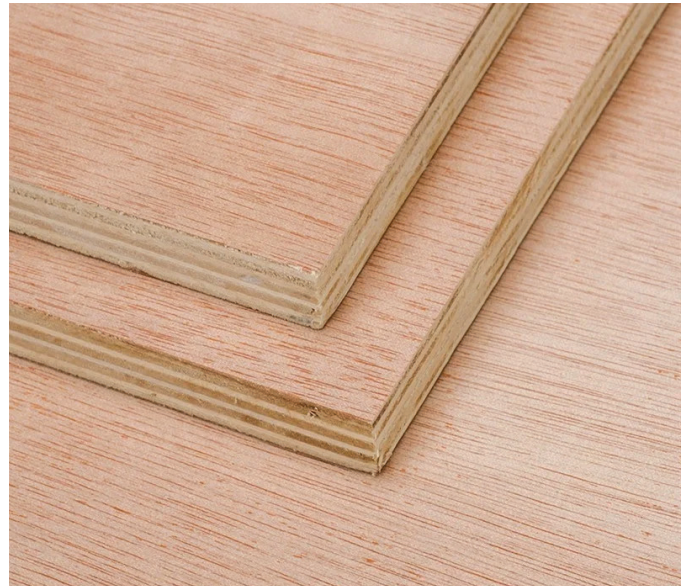

5. H20 Wooden Beam (Formwork Beam)

| | |
|------------------------|---|
| Length | 1.9m – 5.9m |
| Dimensions | (H)80mm x (Flange W)40mm x (Web T)27mm |
| Flange Material | Sawed Pine |
| Web Material | Birch / Poplar / Larch (Plywood) |
| Standard | EN 13377 |
| Application | Lightweight yet strong beam for slabs, walls, and heavy-duty concrete formwork. |

6. Commercial Plywood

| | |
|--------------------|---|
| Size | 1220mm x 2440mm |
| Thickness | 4mm, 6mm, 9mm, 12mm, 15mm, 18mm |
| Origin | India / China / Malaysia |
| Application | Joinery, furniture, and interior works. |

7. Medium Density Fibreboard (MDF)

| | |
|--------------------|--|
| Size | 1220mm x 2440mm |
| Thickness | 2.7mm, 5.5mm, 9mm, 12mm, 18mm, 25mm |
| Grades | Plain, High Moisture Resistant (HMR), Fire Resistant (FR) |
| Origin | Thailand / India / China |
| Application | Furniture manufacturing, interior design, and decorative panels. |

8. Cement

| | |
|---------------------|---|
| Type | Ordinary Portland Cement (OPC), Sulphate Resistant Cement (SRC), and Portland Limestone Cement (PLC) |
| Packing | 50 Kg Bags / Bulk Supply |
| Grade | 42.5N & 52.5N |
| Conforming Standard | BS EN 197-1 / ASTM C150 |
| Brands | UltraTech Cement, RAK Cement |
| Origin | UAE |
| Application | <ul style="list-style-type: none"> General construction and concrete works Foundations, columns, beams, and slabs Marine and underground structures (SRC type for sulphate resistance) Precast concrete products and ready-mix applications |
| Features | <ul style="list-style-type: none"> High compressive strength and consistent performance Excellent workability and setting time Complies with regional construction and durability standards |

WHY CHOOSE US?

- ✓ Leading Importer with direct sourcing from top global mills.
- ✓ Comprehensive Product Range for all construction and interior requirements.
- ✓ Large Stock Availability in Dubai for immediate dispatch.
- ✓ Internationally Certified Products with test reports available.
- ✓ Commitment to Sustainability – eco-friendly and certified wood options.
- ✓ Customer-Centric Approach with competitive pricing and reliable delivery.
